The happy smiles of Mark & Deidre Rogers after being crowned the 1981-82 Homecoming Queen.

Deidre Rogers

I was a 1980 Honor Graduate of North Surry High School. I enjoy golf, tennis and most all sports. I love sharing smiles and spending all spare time with Mark and friends. I love the beach and I love pizza.

When I was crowned Homecoming Queen at Surry College I was definitely shocked. It was a big surprise and I was very excited. It was the highlight of my two years at Surry Community College. I think Surry Community College is a great place. Thank you for the honor!

During the halftime activities Homecoming night, Sharon Joyner was greeted with roses as she was named Maid of Honor. When asked how she felt about this, Sharon responded, "Being chosen Maid of Honor of Surry Community College was one of the greatest honors I have ever received. I appreciate everyone that made Homecoming week and night so exciting. I will always cherish the many friendships I have made here."

Many activities were held during Homecoming week. A few were dress up day, dress Western day, and school colors day with a pep rally the day of the game. On December 18, 1981 during the halftime activities, Deidre Rogers was crowned '81-'82 Homecoming queen. Deidre represented the Phi Beta Lambda chapter and was escorted by Mark Rogers. Sharon Joyner was chosen Maid of Honor. She represented the cheerleaders and was escorted by Tommy Payne, Jr. Congratulations to Deidre and Sharon, as well as all representatives.

The Student Government Association of Surry Community College is an organization set up to promote a mutual respect between the administration and the student body. Among the objectives of the organization are encouraging an interest in student activities, providing a forum for public discussion of student problems, and establishing and encouraging leadership and involvement in student activities. Included in the duties of the S.G.A. are allocation of student funds and the enforcement of the guidelines of student conduct. Also the S.G.A. promotes and enforces the guidelines governing use of the Student Recreation Center together with setting up campus parking regulations.

## ENCOUNTERS

## ENCOUNTERS

encounter (en koun' t r), v.t. 1. to come upon; meet with, esp. unexpectedly. 2. to meet with or contend against (difficulties, opposition, etc.). 3. to meet (a person, military force, etc.) in conflict.

Unexpected meetings . . . a part of life here at Surry. Through these we acquaint ourselves with a variety of people, and form lasting friendships with many. Everyone who touches our lives will become a memory to be preserved, like this book.

We also contend against many difficulties while adjusting to college life. There is more work to do, there are more decisions to make. Encountering problems, we find, is something that is inescapable, but the difficulties we face help us grow and they, as well as the good times, should be remembered.

Conflict can mean battling it out on the basketball court or softball field, or finding that the five classes you need next quarter all meet at the same time. These difficulties too will be remembered for the gains they helped us to make.

Throughout the year we have met with many encounters of many types. We have learned and gained experienced because of them. The people we have met and things we have heard and seen will have a lasting influence on our lives.
